

WHAT TO EXPECT FROM

emotional wellbeing drop-in for children and young people aged 0-25, their parents and carers.

service provided by

Who are we?

Beam is operated by The Children's Society, a national charity that works with the most vulnerable children and young people in Britain today.

We listen. We support. We act.

Because we believe no child should feel alone.

Our beliefs and values

Brave

We are brave, fighting injustice at every level, fearless in our determination to be listened to. We expose and directly address 'hard truths' and are determined to turn words swiftly into actions.

Ambitious

We are ambitious for the lives of the children we work with. The pioneering work we do helps them and children across the country aspire to better lives.

Supportive

We support children in their personal development and to build positive relationships. Together we enable children to reach their full potential and realise their ambitions.

Trusted

We have been trusted for over a century to deliver care where it is most needed. We maintain that trust by being dependable and consistent in our approach and by fighting for change based on hard evidence.

What does Beam do?

OUR AIM: to provide children and young people aged 0 – 25, their parents/carers & professionals with advice, signposting and support with any concerns relating to mental and emotional wellbeing.

Our team is very passionate about empowering young people. Simply listening to a young person's experience or using therapeutic strategies and providing information can make all the difference.

“We want to help you acquire the resilience and skills you need when life throws up challenges. We want you to know what to do for yourself if you are troubled by emotions or problems with your mental health”

Who are Beam?

Beam is a **multi-disciplinary team** made up of Therapists, Youth Workers and Wellbeing Volunteers.

Who can use Beam?

Anyone between the ages of 0-25 can access support from Beam.

Parents and carer support is given provided it is in conjunction with a young person.

What will Beam do?

We can provide **low-intensity therapeutic support** under a brief therapy framework.

We promote **psycho-education**.

We give **practical support** and suggestions.

We **listen**, trying our best to ensure our service users feel heard.

We **adapt**: we know there is no such thing as one size fits all.

What won't Beam do?

We do not deliver **structured therapy**.

We do not **complete assessments**.

We do not **diagnose**.

We do not automatically **make referrals**.

We do not offer an **appointment system**.

Registration & Consent

On the initial visit, **children, young people, parents and carers** will be asked to complete our **registration and consent forms**.

This is required **before** we can commence working with them.

We will also ask for **professionals** to complete a registration form, detailing the organisation they work for as well as their contact details.

You will be asked to complete a feedback form at the end of your visit. These are anonymous and help us to make improvements where needed.

Beam Workshops - FAQs

How can a young person register to attend a workshop?

Currently there is no need to 'sign up' for workshops – just arrive at the specified start time! However, we do require the young person to be registered with us, and to have attended one of our drop-in sessions prior to attending a workshop.

Why do young people need to attend a drop in session in addition to registering with Beam?

This is to ensure that we have some background information about the young person so that we can ascertain the appropriateness of the workshop. It is also to ensure they know what the workshop will involve.

What age are the workshops for?

As we develop, we will be offering workshops for a range of ages, including younger children. Currently the individual workshop information specifies the age range they apply to.

Beam Training on Mental & Emotional Health

Beam will be delivering training for parents, carers and professionals relating to common mental health issues that young people face.

This is currently in development, and be similar in format to the workshops we run for young people. More information about these will follow!

FAQ's

What if a parent/carer wants to come along without their child?

This is fine. We appreciate that people can find it difficult to discuss their circumstances while their child or children are sat with them. We welcome visits from parents and carers who want to see what the drop-in is like before they bring their child(ren).

What if a young person wants to come without their parent/carer?

We are happy for age-appropriate young people to attend Beam alone. They do not need permission to come, and we don't automatically share with anyone that they have attended.

We require consent from the parent/carers of children aged 13 and under, and this is reflected on the consent form. In instances where individuals aged 13 and below attend the drop in alone, we will seek their agreement to obtain consent from a parent/carer over the phone.

Do parents/carers need to wait while their child is seen?

It is important that the parents/carers of younger children stay at drop-in while their child is attending Beam.

What happens if a risk is identified?

Our clinical staff will raise and follow up any risk or safeguarding concern through the relevant channels, and would seek to obtain the individual's informed consent in the first instance before doing this.

Which drop in should I attend?

Shropshire and Telford & Wrekin users can access either of our drop ins in Shrewsbury or Telford.

Do I / does my child need to have a diagnosis to come?

No.

Can we make an appointment?

No. We operate solely on a drop-in basis. This is to ensure we can be as accessible as possible to all during the hours we are open.

This may mean that at busier times there is a wait to be seen. We try and make this as comfortable as possible by offering refreshments, as well as games or activities to entertain children and young people.

Drop in's are mainly during school time. What can I do?

We can provide a signed letter confirming a young person has attended Beam if this is required by the school. This can only be provided on the day of attendance.

Can I see the same person?

As we are a drop-in, we cannot guarantee that you will see the same person each visit.

After each session, brief notes will be written about what has been discussed, and these will be reviewed on your next visit prior to you being seen.

There shouldn't be a need to go over what you had discussed the week before.
