

**Hello Kreative Kidz Member,**

Kreative Kidz, I hope you all enjoying the sunshine this week.

I have been busy catching up on your amazing art work. I have loved seeing your circus pictures and masks, especially the spoon puppets.

We are planning a few differences to the normal calendar with a Forrest Day and a Picnic in the park where parents/carers will be joining us. We will be bringing both ages together and the session will run 11am-2pm. If you have already pre-booked please just take note of the change of location and times.

On 27<sup>th</sup> July all three ICAN2 services, Kreative Kidz, Sports and Leisure and Access 2 Activities are coming together for a trip to Barmouth. This will be a family trip with 2 lead workers. Kreative Kidz will still run from Ketley Community Centre on this day. If you are interested in the family trip please call the office on 01952 385119.

Unfortunately there will **not** be a session on the 29<sup>th</sup> June.

We are currently in the process of planning our Summer Program 2019 and will be in touch as soon as this is finalised.

Please see below the programme as planned until August 2019.

Thank you for to all parents/carers that are now paying in advance for sessions. This has proved very useful when planning for sessions and numbers have certainly increased.

To book onto a session or for more information about the change in program please call Young People's Services on 01952 385119 between 9am-5pm or email [A2Abookings@telford.gov.uk](mailto:A2Abookings@telford.gov.uk)

Kind Regards,

**Holly**

Holly Wells

Service Leader.
