<b>What works well</b>	<b>What doesn't work so well</b>
<ul style="list-style-type: none"> <li>• EHCP – Pretty straight forward.</li> <li>• Easy to understand.</li> </ul>	<ul style="list-style-type: none"> <li>• Looking at schools.</li> <li>• No Location map.</li> <li>• No idea if they are near where you live.</li> <li>• Local offer didn't work.</li> <li>• Some unsure of what "local offer" means. Could do with SEN in brackets.</li> </ul>
<ul style="list-style-type: none"> <li>• Good that you can go straight to age category that applies to your child.</li> <li>• Lots of information in one place.</li> </ul>	<ul style="list-style-type: none"> <li>• Colleges don't give enough information to let you know if suitable for your child's individual needs.</li> <li>• We didn't know it existed.</li> <li>• Children with learning difficulties in mainstream school seem to miss out on services available. No information supplied to parents.</li> </ul>
