We are Moving

We have exciting news! After the Summer holidays we will be moving into our new home at Ketley Community Centre.

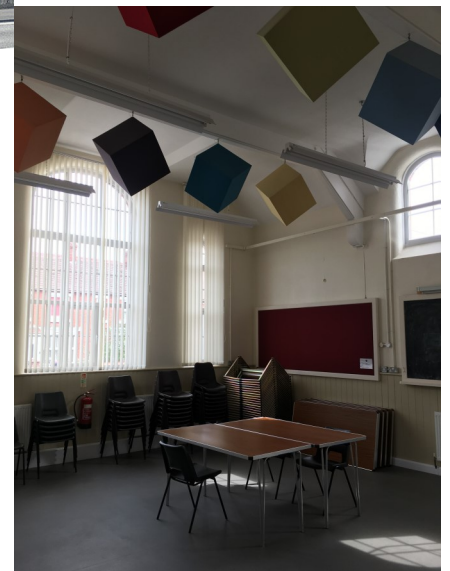

Our time at Oakengates Leisure has been wonderful to promote ourselves but the time has come to make sure we are in a venue that provides us with all the amenities we need to make Kreative Kidz a more structured and robust offer to our members.

Ketley Community Centre has free parking and a designated arts room that holds 24 people so we have lots more space and the potential to increase our workshop capacity too.

The arts room we will be in has a sink (very important and has been missed at our time at Oakengates Leisure Centre) a washable floor and cupboards. And acoustaf foam soundproofing to dampen noise which is great for our members whom like it quieter (these are the funky blocks hanging from the ceiling in the pic below.)

The Centre is a quieter venue, something that a lot of parents and their children have told us they miss and is still fairly close to Oakengates Leisure centre for those that want to still go to I can 2 sports and leisure after or before their sessions with us.

I'll post further info as well as video about this to our facebook page.

Kreative Kidz has gone digital

Kreative Kidz finally has a facebook page. Here you will be able to see our current newsletter and we will be able to share pictures of the art created at Kreative Kidz. The page will be the best place to stay updated for Kreative Kidz news as we will be able to update this page as and when needed. We hope this improves our communication with you.

You'll find video footage of our new home uploaded soon. Also
