

Activity Programme January – March 2018

Dear Kreative Kidz member and parent/carer,

We have really settled at our home at Ketley Community Centre. The staff at the venue are incredibly accommodating and have been great at meeting our requirements when asked. So much so we are going to be using the large Hall from January onwards.

Our offer is becoming more recognised and more popular and as such we need a little bit more space to spread out. This will give us space to create much more art and of having a sensory area at every session and also an area for our game.

Having this space will also mean others can't book the space for big parties which should reduce the noise somewhat further for our children.

There's also a Kitchen area off the room that enables us to more easily provide the snacks at our sessions which are currently being supplied kindly community worker June Walker from ASDA.
