iCan2 includes providers that deliver creative arts, sports and leisure, as well as passes for local attractions.

## iCan2 Sports and Leisure Club

As discussed at the Short Breaks Forum, work to tender for the iCan2 Sports and Leisure Club is progressing. We have taken feedback from parents on board and have tendered for a three hour session to enable parents to have a meaningful break whilst their child or young person attends. We have requested a wide range of sports and leisure activities to appeal to as many children as possible. We will update you when a provider has been appointed. The current provider is My Options at Arthog.

In addition to this, a Youth Club will be commissioned later in the year. Parent representatives will be invited to be part of the tender process.

## Short Breaks Forum

The Short Breaks Forum provides an opportunity for local families to meet with Telford and Wrekin Council representatives to discuss and exchange views, information and options to meet the social care needs of children with disabilities.

If you would like to attend and be involved in these conversations, our next forum is 10th September 2024, 10-12pm at PODS Hub, 1 Hawkworth Road, Central Park, Telford, TF2 9TU. You do not need to register—you are more than welcome to come along!

## Happy Healthy Active Holidays

There are funded spaces available to children in reception through to year 11 who receive benefit-related free school meals. It won't cost anything to attend. Each club will have a range of fun activities such as sports, cooking, dance, music, arts and crafts, and a nutritious meal each day.

Once you have registered you will be notified when your eligibility has been confirmed and you will be able to go ahead and book activities taking place from 22 July to 1 September 2024.

## Wrekin Forest School

Wrekin Forest School has been running for over twelve years and is led by Judie, a mum to four adult children and a qualified teacher of twenty years. As a teacher she fell in love with the concept of outdoor learning and forest school. She is a qualified Forest School Leader and her passion for outdoor learning is as strong today as it was when she first qualified! Judie longs to provide an environment that gives access to all ages and abilities.

They strive to provide an environment that nurtures all who attend, through activities that allow users to learn new skills, increase resilience and become great risk assessors. The outdoors enhances self esteem and mental wellbeing. Wrekin Forest School run inclusive, as well as SEND sessions.
